***Knights of Pythias Lodge #492 (Morocco)**

The Knights of Pythias was founded
as a non-sectarian organization on
Feb. 19, 1864 in Washington, D.C.
The principles of the Knights of

Pythias are Friendship, Charity, and Benevolence. The members pledge to practice these principles in their daily lives.

The Order is based upon the story of Damon and Pythias, historical characters of ancient folklore who displayed devoted friendship for each other. Damon and Pythias showed exemplary Courage (each willing to sacrifice his life for his friend).

Membership of the Knights of Pythias is open to any to any male who would like to join. There is a women counterpart but not in Morocco at this time.

The KP Lodge is involved in many projects: Pop Tabs for Ronald McDonald House, Boy Scouts, scholarships, poster contest, Cystic Fibrosis.

Public skate board park, bingo, annual car collector shows, etc. They also support the Newton County Fair and more.

Morocco Projects Unlimited

Founded in 1958

P.O. Box 95

Projects Unlimited was founded in 1958 for the purpose of getting a community pool in Morocco. The group started with five or six women who convinced their husbands and various businesses in the area that a pool was needed. The pool was completed in 1961 at a cost of \$40,000. The group soon grew to 32 members. Fifty-two years later, the members are still working on projects that benefit the Morocco community - whether it be the Easter Egg Hunt, Pictures with Santa, Longaberger Basket Bingo, Leadership Scholarship, Discover Science Summer Camp, Morocco Homecoming, landscaping of Kessler Park or Morocco signs, State Steet flag poles, or the countless other projects that the members take on. All projects have been accomplished with the generous support of the Morocco and surrounding communities.

Membership is open to anyone who has an interest in improving Morocco. We are always looking for new members and new ideas. There are three charter members who are still

active in the Club - Betty Kessler, Ruth Ann Shirer and Selma Smart.
