RETURN

To your local collection site

For IBC Tote in Cages

1. Pull tube out of cage
2. Take off the lid and throw away
3. Cut the valve off and throw away
4. Cut the remaining in flat sheets so there would be 6 flat sheets per unit

For Ag Tanks

1. They can be cut up in 2ft and 2ft pieces
2. We can not take the lid or valve or any steel bolts nuts or wood

- There is NO LIMIT to number of containers accepted
- Free Disposal of plastic pesticide container up to 55 gallon—remove the caps/plugs
- There is ZERO COST to participate in collection
- Open to Newton, Jasper, and Benton County Residents
- Staff of G. Phillips & Sons have 100% authority to not accept any container if it does not meet appearance and cleanliness standards
